CURRICULUM

We offer a broad and exciting curriculum that supports every child to reach their full potential. We want all children to love learning, and we use a wide range of creative and effective teaching approaches to keep them motivated and highly engaged.

Through our curriculum, we promise to:

- Spark curiosity
- Encourage clear communication
- Build resilience
- Inspire ambition
- Develop independence

Our goal is to help every child grow into a confident, capable and enthusiastic learner.

PERSONAL DEVELOPMENT

Personal development is part of every interaction, every lesson, every event. Our goal is to prepare children for their future so they feel a sense of belonging, understand their purpose and have the confidence to speak up and be heard. We are exceptionally proud of our enrichment programme that welcomes every child and celebrates their uniqueness. It includes, but is not limited to:

- Pupil leadership opportunities
- Chances to represent the school in local sporting competitions
- Musical performances both inside school and out
- Computing and digital learning experiences
- Purposeful and engaging trips and visits
- A wide range of after-school clubs, including karate, chess, languages and choir

We believe these opportunities help children thrive, explore their interests and feel part of a vibrant school community.
